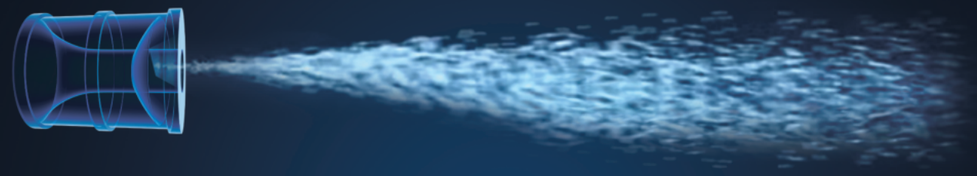
Waltz – Dancing Body Jet

(Coming Soon)

Where Water Meets Rhythm. Where Relaxation Meets Motion.

Inspired by the graceful movements of a waltz, Somany Bathware introduces the Waltz Dancing Body Jet – a revolutionary shower experience that brings elegance, rhythm, and therapeutic comfort into your bathroom. Unlike traditional fixed sprays, the Waltz Body Jet oscillates gently, mimicking a dance-like motion, wrapping your body in swirls of rejuvenating water.

Every droplet is choreographed to relax, refresh, and recharge turning a simple shower into a harmonious performance of wellness.



The swirling water does not just pulsate.
It actually massages your muscles

Dance-like **Oscillation**

Nozzles move in a waltz-inspired rhythm, creating a dynamic water flow that feels alive and refreshing.

Hydro-Massage Therapy

The swirling jets deliver a natural massage effect, soothing muscles and relieving stress with every wash.

Luxury in Motion

Breaks the monotony of static sprays by transforming water into a rhythmic, spa-like experience.
