CERAMICA / WALL TILES COLLECTION / CATALOGUE / NOV 2025

Step into
the Future of Wall Surfaces

Unveiling a new era of wall design with the Digital Wall Tiles Collection, where boundless creativity meets architectural mastery. Surfaces transform into canvases of infinite possibility through a symphony of colours, textures, and patterns that transcend the ordinary. From intricate geometric designs to nature-inspired motifs, each piece tells a story of craftsmanship and innovation.

Available in versatile 300×450mm and 300×300mm formats, these tiles are perfect for kitchens, bathrooms, living spaces, and commercial interiors. Elevating ordinary spaces into design masterpieces, where every surface creates lasting impressions and defines exceptional environments.

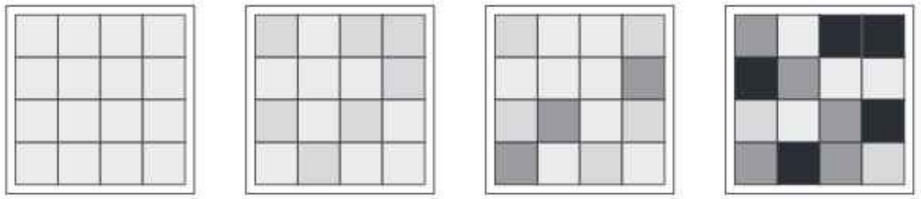
DESIGN, PATTERN & SHADE VARIATION GUIDE

Current development efforts have made ceramic tiles resemble and look authentically like natural materials (Stone, Wood, Fabric).

Recognising this situation, it is necessary to be informed of the grade of design & pattern variation that is expected from these products. As a general guide, the design & pattern guide given below classifies the range according to the degree of variation.



V1 Minimal Variation **V2** Slight Variation **V3** Moderate Variation **V4** Substantial Variation

The classification is as follows:

V1 Minimal Variation V2 Slight Variation V3 Moderate Variation V4 Substantial Variation

The tiles in this catalogue are reproduced using four-colour printing, and the tiles may not be displayed in accurate sizes. Therefore, we strongly recommend customers check the physical samples before placing an order. The "Technical Specification" applies exclusively to premium-quality Somany wall and floor tiles. Please inspect the tiles thoroughly before installation, as we don't accept any complaints once the tiles have been applied or fixed. Additionally, complaints regarding borders, highlighters, or motifs will not be entertained after purchase.
