Aspire Collection

Step into a world where surfaces transcend their material nature and hold attention, the Duragres Aspire collection is engineered for spaces that refuse to be ordinary.

Available in two sizes of 600x1200mm and 600x600mm, Aspire offers five distinct finishes, each with its own spatial identity. Lucido (High Gloss) captivates with intense luminosity, a mirror-like depth that draws the eye toward infinite reflection. Full Polished delivers seamless visual continuity, the flowing veins and sheen creating an expansive sense of grandeur. Rustic reveals its character through tactile contours carrying a natural architectural story, raw in essence. Engravo Matt exudes a velvety softness, meticulous carving adding dimensionality, warmth settling in quiet repose. Matt lends a clean, understated calm to contemporary interiors.

It is well suited for living rooms, lounges, and kitchens to hallways, accent walls, retail showrooms, hotels, hospitals, and shopping malls.

DESIGN, PATTERN & SHADE VARIATION GUIDE

Current development efforts have made ceramic tiles resemble and look authentically like natural materials (Stone, Wood, Fabric).

Recognising this situation, it is necessary to be informed of the grade of design & pattern variation that is expected from these products. As a general guide, the design & pattern guide given below classifies the range according to the degree of variation.

V1 Minimal Variation **V2** Slight Variation **V3** Moderate Variation **V4** Substantial Variation

The classification is as follows:

V1 Minimal Variation V2 Slight Variation V3 Moderate Variation V4 Substantial Variation
