SOMANY
Bathware

Choose from
widest range of

water heaters

You deserve more than just a well-equipped bathroom. You deserve a bathroom that becomes your place of solace. Which is why through innovation and research, we at SOMANY have designed geysers that are the epitome of cutting-edge technology and engineering. So when you bring home a SOMANY product, you're bringing home the absolute best of craftsmanship and quality.

A 5 star rated product, which means less energy consumption, more savings.

IPX4 rating

Our water heaters are splash proof with IPX4 rating, giving it one more reason to serve you longer.

Our water heater can with stand pressure up to 8 bars, which makes the perfect match for your high rise apartment.

A pair of connecting pipes is provided with the box for easy & hassle free installation.

Compact & premium design that bring art to your modern bathing space.

Bathware

Worry-Free
Protection

- Advanced Thermostat & Thermal Cut-Out Mechanism for dual overheat protection
- 5-in-1 Multi-function Safety Valve: Prevents excessive pressure, vacuum formation & reverse water flow
- Multi-layer protection against corrosion & scaling
- Extra thick Magnesium Anode for added tank protection
- High Grade ABS non-corrosive premium outer body
- Advanced Vitreous Enamel Coating protects the inner tank,suitable for hard water usage

SOMANY
Bathware

Future-Ready **Performance**

- BEE 5-Star Rated for high energy efficiency
- Extra thick & high-density CFC-free PUF insulation for superior heat retention
- Single weld line high-grade mild steel tank – 66% prevents Leakage
- Sustained 2kW Copper Heating Element for consistent performance
- Withstands up to 8-bar pressure – ideal for high-rise buildings & pressure pump applications

Bold Design.
Everyday Comfort

Picardy
Smart Digi

Precision Heating,
Digital Intelligence

Experience precision heating with the Picardy Digi, a smart water heater designed for effortless control and all-round performance. With a stylish LED display and feather-touch temperature adjustment, it offers personalized comfort at your fingertips. Built for long-lasting use, it features a vitreous enamel-coated tank, magnesium anode, and 2KW copper heating element—making it ideal for hard water conditions. The PUF insulation ensures 5-star energy efficiency with excellent heat retention. Advanced safety features like dual overheat protection, a 5-in-1 multi-function valve, and 8 bar pressure handling make it perfect for high-rise buildings and pressure pump applications. Available in both vertical and horizontal models, Picardy Digi adapts to modern spaces with ease and style.

Picardy Digi — where intelligence meets everyday comfort.
