SOMANY

DURAGRES

An Expansive Universe of Versatile Surfaces

Step into a world inspired by nature's finest surfaces with Somany's Duragres collection, blending beauty, durability, and functionality while embracing modern minimalism and artistic aesthetics. It offers distinctive finishes to suit every taste: the mirror-like shine of Full Polished; the ultra-reflective opulence of High Gloss; Engravo, perfect for those seeking a blend of tactile luxury and visual interest; Impression, featuring subtle dimension and timeless elegance through intricately carved matt textures. Matt presents a smooth, understated finish that adds quiet sophistication to contemporary spaces — ideal for minimalist, elegant interiors. VC combines a soft-touch finish with advanced surface protection, built for superior durability and resilience. From inspiration to execution, crafting inviting spaces and curating luxury interiors transform every environment into a true sanctuary.

TECHNICAL FEATURES

SUPERIOR GLOSS SURFACE
A stunning, high-gloss finish that elevates any space. The reflective surface amplifies light, creating a brighter and more luxurious ambience.

ABRASION RESISTANT FOR MODERATE TO HIGH TRAFFIC AREAS
Our tiles are designed to withstand the test of time, even in high-traffic areas. Their superior abrasion resistance ensures durability and maintains their pristine appearance for years.

EASY TO CLEAN
They are easy to clean and maintain, thanks to their non-porous surface that resists dirt and stains.

REFLECTIVE GLOSS INDEX
Our tiles feature a subtle, low-reflection finish, reducing glare and creating a more comfortable visual experience. This makes them ideal for various settings, including spaces with significant natural light.

- Water Repellent
- Blended Smoothness
- Non-Reflective
- Thermal Resistant
- Chemical Resistant
- Abrasion & Wear Resistant
- Temperature Resistant
- Hygienic and Safe
- Frost Resistant
- Load and Stress Resistant

APPLICATION AREAS

- Residential Areas
- Commercial Areas
- Hospitals
- Public Places
- Shops And Malls
- Hotels and Restaurants
- Schools and Colleges
- Outdoor Furniture

Experience the quiet sophistication of a matt—subtle to the eye, rich in texture. Available in a palette of distinguished shades, it adds depth without distraction. From the organic warmth of wood to the grounded strength of stone, each tile reflects natural grace. The inherent beauty of every design speaks softly yet powerfully, creating spaces that feel both refined and welcoming.

With Engravo, texture and tactile sensation become the centre of expression—enriched by a luminous, glossy finish that accentuates intricate contours with striking clarity. This finish is meticulously crafted to add depth and intricate detailing to the surface of the tile. Subtle engravings create a sense of artistry and craftsmanship, making each piece unique.

The Full Polished finish brings refined elegance to any space with its high-gloss, mirror-like surface. It amplifies natural light, enhancing the sense of openness and highlighting the tile's intrinsic beauty. The high reflectivity of the surface adds depth and vibrancy to any interior, making it ideal for spaces that require a touch of luxury and grandeur.

Engineered for exceptional durability and aesthetic precision, VC Shield Tiles are built to perform. The refined matt surface offers a sophisticated, non-reflective finish that conceals minor imperfections while enhancing visual appeal. With high abrasion resistance and protection against weather, water, and wear over time, its resilient structure ensures long-term integrity. From contemporary environments to high-traffic commercial spaces, it delivers lasting performance with understated style.

DESIGN, PATTERN & SHADE VARIATION GUIDE

Current development efforts have made ceramic tiles resemble and look authentically like natural materials (Stone, Wood, Fabric).

Recognising this situation, it is necessary to be informed of the grade of design & pattern variation that is expected from these products. As a general guide, the design & pattern guide given below classifies the range according to the degree of variation.

V1 Minimal Variation **V2** Slight Variation **V3** Moderate Variation **V4** Substantial Variation

The classification is as follows:

V1 Minimal Variation V2 Slight Variation V3 Moderate Variation V4 Substantial Variation

SHIELD PEI 25H HARD COAT TECHNOLOGY

VEILCRAFT (VC) SHIELD

Not only look and style; the buzz word for the Gen X tile is timeless elegance. Here comes the revolutionary patented "VeilCraft (VC) Shield" technology, a 'high abrasion resistant glaze composition', known as VC (VeilCraft) Shield. This is the first ever patented technology in Indian Ceramic Industry. This not only gives you the perfect aesthetics for your space but also the lifelong protection to your floor.

Result Of The abrasion test at 25,000 revolutions as per the PEI Methodology

The tiles in this catalogue are reproduced using four-colour printing, and the tiles may not be displayed in accurate sizes. Therefore, we strongly recommend customers to check the physical samples before placing an order. The "Technical Specification" applies exclusively to premium-quality Somany wall and floor tiles. Please inspect the tiles thoroughly before installation, as we don't accept any complaints once the tiles have been applied or fixed. Additionally, complaints regarding borders, highlighters, or motifs will not be entertained after purchase.

NOTE

SOMANY

TILE VISUALISER

SOMANY

Choosing the perfect tile for your dream home should be exciting, not overwhelming! With endless styles, colours, and finishes to explore, how do you ensure your choice truly brings your vision to life? That's where our Tile Visualiser transforms the experience. From the **intuitive 2D Studio Visualiser to the immersive Panoramic-Studio Visualiser,** and even the AI-powered Your-Space-Studio Visualiser, you get a seamless, real-world preview of your selections. Instantly see how different tiles look in your space and make confident design decisions—because what you see is exactly what you'll get.

Your dream tile? Just a click away.

Lasting Bonds Made Ezy

Behind Every Stunning Tile, there's a Stronger Bond!
Experience the power of reliable tiling with Somany Ezy Fix. From ceramic and porcelain tiles to natural stone and marble, our adhesives work on all surfaces – walls, floors, indoors, outdoors, and facades. Available in cement-based and PU-based options, they offer strong adhesion across all sizes and materials. Complementing this, our cement and epoxy grouts ensure tight, durable joints that last. No matter the project, Somany Ezy Fix delivers a bond that's built to last.
