ULTRA CHARGE
collection

DOUBLE CHARGE

1200 x 1800mm | 1000 x 1000mm | 800 x 1600mm
800 x 800mm | 600 x 1200mm | 600 x 600mm

SOMANY VITRO

Depth of Design.
Layers of Elegance.

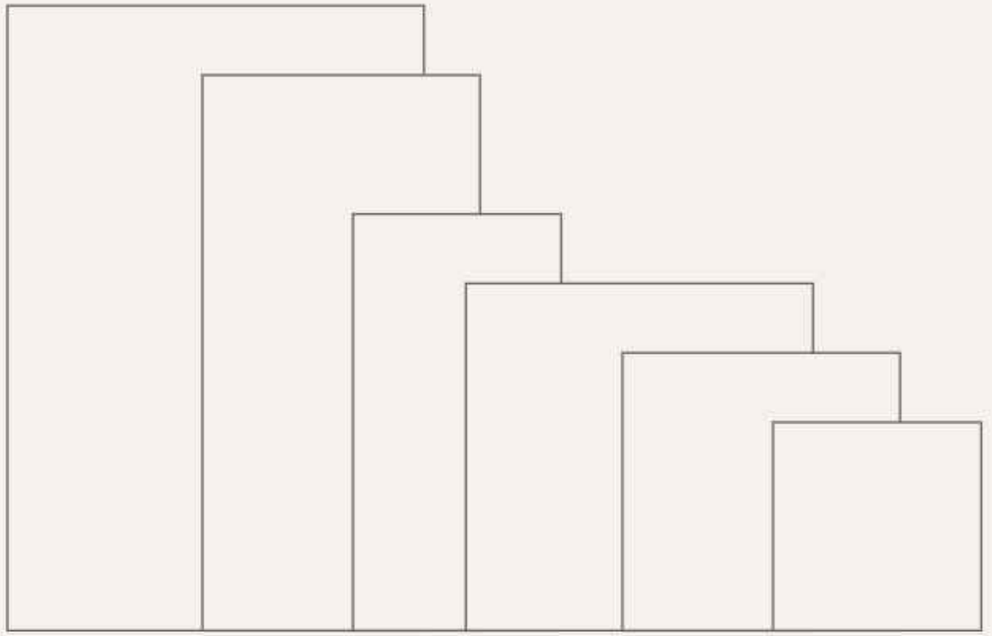

VITRO's Double Charge collection features high-gloss polished vitrified tiles with extra thickness and double-layer pigment infusion. Vivid colours are embedded deep within each tile, ensuring exceptional resilience and extended longevity. Available in six versatile formats, from compact 600x600mm to grand 1200x1800mm, the collection's minimal joints create seamless visual flow and impart a spacious, premium feel to any environment. With exceptional reflectivity, these tiles transform surfaces into luminous canvases that amplify light and spatial depth throughout interiors. Ideal for discerning residential spaces, distinguished commercial environments and contemporary culinary spaces where aesthetics and functional elegance exist in perfect harmony.

Crafted in Layers, Illuminated by Depth

The Double Charge collection presents a curated range of sophisticated, on-trend surfaces across six versatile sizes from compact 600×600mm to expansive 1200×1800mm formats, designed to meet diverse spatial requirements.

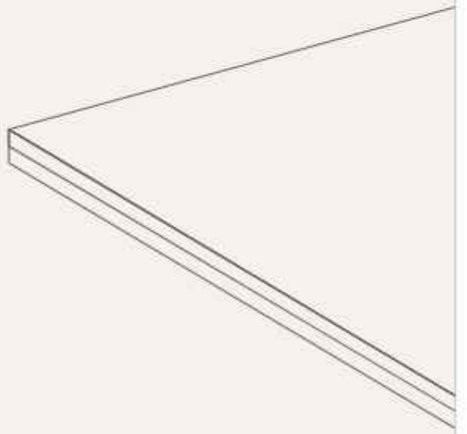

SIZES:

1200x1800mm | 1000x1000mm | 800x1600mm | 600x1200mm | 800x800mm | 600x600mm

Double Charge Vitrified Tiles

Double Charge Vitrified Tiles are premium surface solutions that blend structural resilience with refined aesthetics. Unlike conventional vitrified tiles, their innovative two-layer pigment composition penetrates deeper into the tile body, delivering enhanced durability and a visually cohesive finish.

Manufactured through a process of fusing two distinct layers of pigmented material under extreme pressure and temperature, this technique produces a substantially thicker decorative layer compared to standard vitrified tiles.

The Harmonious Foundation for Modern Living

The floor in this contemporary setting showcases how double charge vitrified tiles create a unified, flowing space. The warm, neutral colours and subtle texture provide the perfect understated backdrop for the design to take centre stage.

TECHNICAL FEATURES

- Water Repellent
- Blended Smoothness
- Non-Reflective
- Thermal Resistant
- Frost Resistant
- Chemical Resistant
- Abrasion and Wear-Resistant
- Hygienic and Safe
- Load and Stress-Resistant
- Temperature Resistant

APPLICATION AREAS

- Residential Areas
- Commercial Areas
- Hospitals
- Schools and Colleges
- Outdoor Furniture
- Public Places
- Shops and Malls
- Hotels and Restaurants

The tiles in this catalogue are reproduced using four-colour printing, and the tiles may not be displayed in accurate sizes. Therefore, we strongly recommend customers to check the physical samples before placing an order. The "Technical Specification" applies exclusively to premium-quality Somany wall and floor tiles. Please inspect the tiles thoroughly before installation, as we don't accept any complaints once the tiles have been applied or fixed. Additionally, complaints regarding borders, highlighters, or motifs will not be entertained after purchase.

TILE VISUALISER

SOMANY

Choosing the perfect tile for your dream home should be exciting, not overwhelming! With endless styles, colours, and finishes to explore, how do you ensure your choice truly brings your vision to life? That's where our Tile Visualiser transforms the experience. From the **intuitive 2D Studio Visualiser to the immersive Panoramic-Studio Visualiser,** and even the AI-powered Your-Space-Studio Visualiser, you get a seamless, real-world preview of your selections. Instantly see how different tiles look in your space and make confident design decisions—because what you see is exactly what you'll get.

Your dream tile? Just a click away.

Lasting Bonds Made Ezy

Behind Every Stunning Tile, there's a Stronger Bond!
Experience the power of reliable tiling with Somany Ezy Fix. From ceramic and porcelain tiles to natural stone and marble, our adhesives work on all surfaces – walls, floors, indoors, outdoors, and facades. Available in cement-based and PU-based options, they offer strong adhesion across all sizes and materials. Complementing this, our cement and epoxy grouts ensure tight, durable joints that last. No matter the project, Somany Ezy Fix delivers a bond that's built to last.
