

**FAMILIARISATION PROGRAMME FOR INDEPENDENT DIRECTORS  
(FOR FINANCIAL YEAR 2017-18)**

In pursuance to Regulation 25 of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 (Listing Regulations) read with Schedule IV to the Companies Act, 2013, the Company is required to familiarise the independent directors about their roles, rights and responsibilities in the Company and also familiarise about the nature of industry in which Company operates, business model of the Company etc.

Somany Ceramics Limited ('the Company') has put in place a system to familiarise the Independent and other Board members about their roles, rights and responsibilities in the Company, the Company, its products, business model and the on-going events relating to the Company.

As part of Familiarising, the Independent and Board members, formal corporate presentations were given with the requisite intervals, which covered the marketing, production, finance and they were also briefed about their roles, rights and responsibilities in the Company.

Apart from the above, presentations were given during the Board/Committee Meetings by the different vertical heads of the Company to directors, highlighting the performance of the Company, during each Quarter. Each member of the Board, including independent directors have been given complete access to any information relating to the Company, whenever they so requested. Such programmes /presentations provided an opportunity to the Independent Directors and other Board Members to interact with the Senior Management of the Company and help them to understand the Company's strategy, business model, operations, service and product offerings, markets, organizational structure, finance, human resources, technology, quality, facilities, risk management and such other areas as may be required from time to time.

During the year, the Company apart from the above presentations, arranged visit of Directors at Company's Plant at Kassar and the plant head apprise the Directors about operations, quality, safety, sustainability etc.,
